Help with luggage if you're travelling in a group

Travelling en masse takes a lot of organisation. But we can lighten the load a little when it comes to your luggage.

If you're travelling in a group of ten or more, we can look after your bags from the moment you arrive at the station until you step off the train again.

WHERE IS THE GROUP LUGGAGE SERVICE AVAILABLE?

We can look after your group's luggage if you're travelling in any direction between London, Paris and Brussels.

How does it work?

HERE'S HOW IT WORKS IN FIVE EASY STEPS:

1. Make a group luggage booking (we'll tell you how below).

2. Arrive at the station at least 90 minutes before your train leaves.

3. Drop your bags at one of our luggage offices in either London, Paris or Brussels.

4. Relax in the departure lounge while our teams X-ray your bags and load them in a secure area on board the train.

5. Pick up your bags from the luggage office when you arrive at the other end.

HOW DO I GET A QUOTE OR MAKE A BOOKING?

If you're travelling in a group of ten or more, just send an email to group.baggage@eurostar.com at least 72 hours before your train's due to depart.
